Costume Week

March 26 - 29

One female guardian is required to attend class with their dancer. Dancers must wear a leotard and tights as they will be trying on their costumes over their leotards within the dance room. It is best to wear a leotard without an attached skirt or extra fabric to accurately determine the costume's fit. **Attendance is mandatory!** If you are absent during costume week for any reason you will need to schedule a private consultation at your expense (\$30 per half hour). If you enrolled after January 9th, you may or may not have a costume to try on.

Costumes will not be sent home until the balance has been paid in full & tuition is up to date.

TTP Troupe Auditions

Dancers interested in auditioning for the TTP Troupe may attend the information meeting on April 6th at 6:00 pm. Troupe is open to dancers going into the 1st grade and up and have completed one full year of dance at TTP by August 2018. It is strongly suggested you attend the information meeting so you and your dancer are fully prepared for auditions and the coming year.

Auditions will be held June 25-28 and will cost \$50.

TTP Troupe is designed for dancers wanting a more vigorous training. They are required to attend summer classes, take an additional class each week, perform at various community events and attend two competitions a year.

Information packets are available at the front desk.
